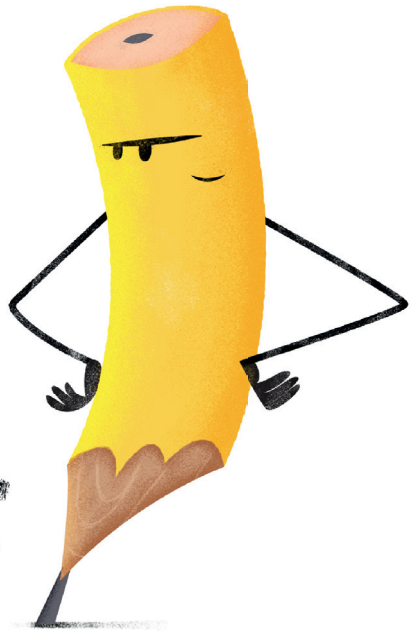
WHEN Pencil MET ERASER



Series Activity Kit

Everything is better when you work together! In these downloadable activities based on the clever picture books WHEN PENCIL MET ERASER and WHEN PENCIL MET THE MARKERS by KAREN KILPATRICK and LUIS O. RAMOS JR., and illustrated by GERMÁN BLANCO, kids can unleash their creativity, learn about working together, and turn messes into successes.

PENCIL VS. ERASER

Pencil likes to draw, but Eraser always changes the pictures.
Take a look at the pictures below, and circle the changes that you like best.

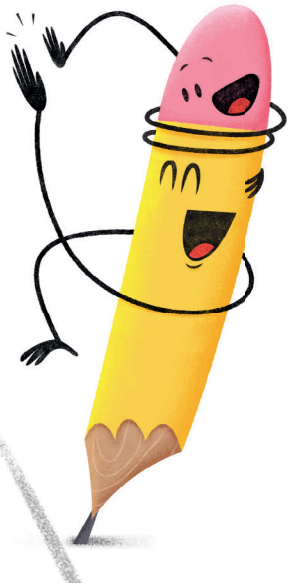
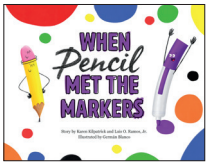
THE ART OF FRIENDSHIP

Pencil and Eraser are the best of friends. Draw a picture of you and your best friend.





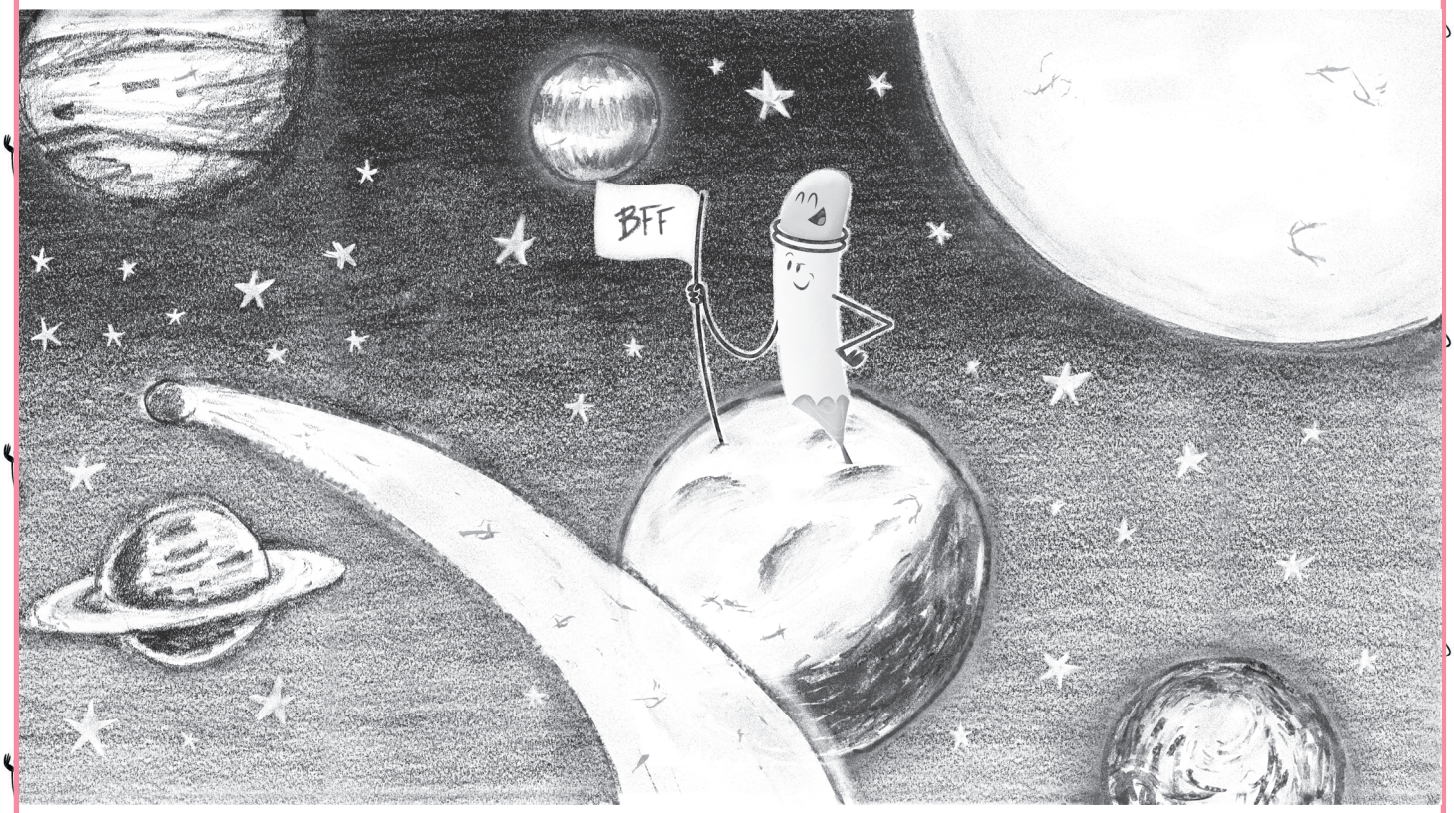
WHEN *Pencil* MET ERASER WHEN *Pencil* MET THE MARKERS

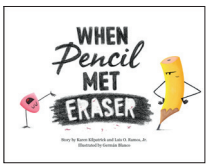
by **Karen Kilpatrick** and **Luis O. Ramos, Jr.**; illustrated by **Germán Blanco** • Ages 3–6

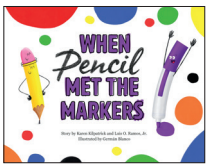
{Imprint} • An imprint of Macmillan Children's Publishing Group

OUT OF THIS WORLD CREATIVITY!

Pencil and Eraser discover that their artwork is better when they work together . . . but would a little color make it even better? Color in the picture!







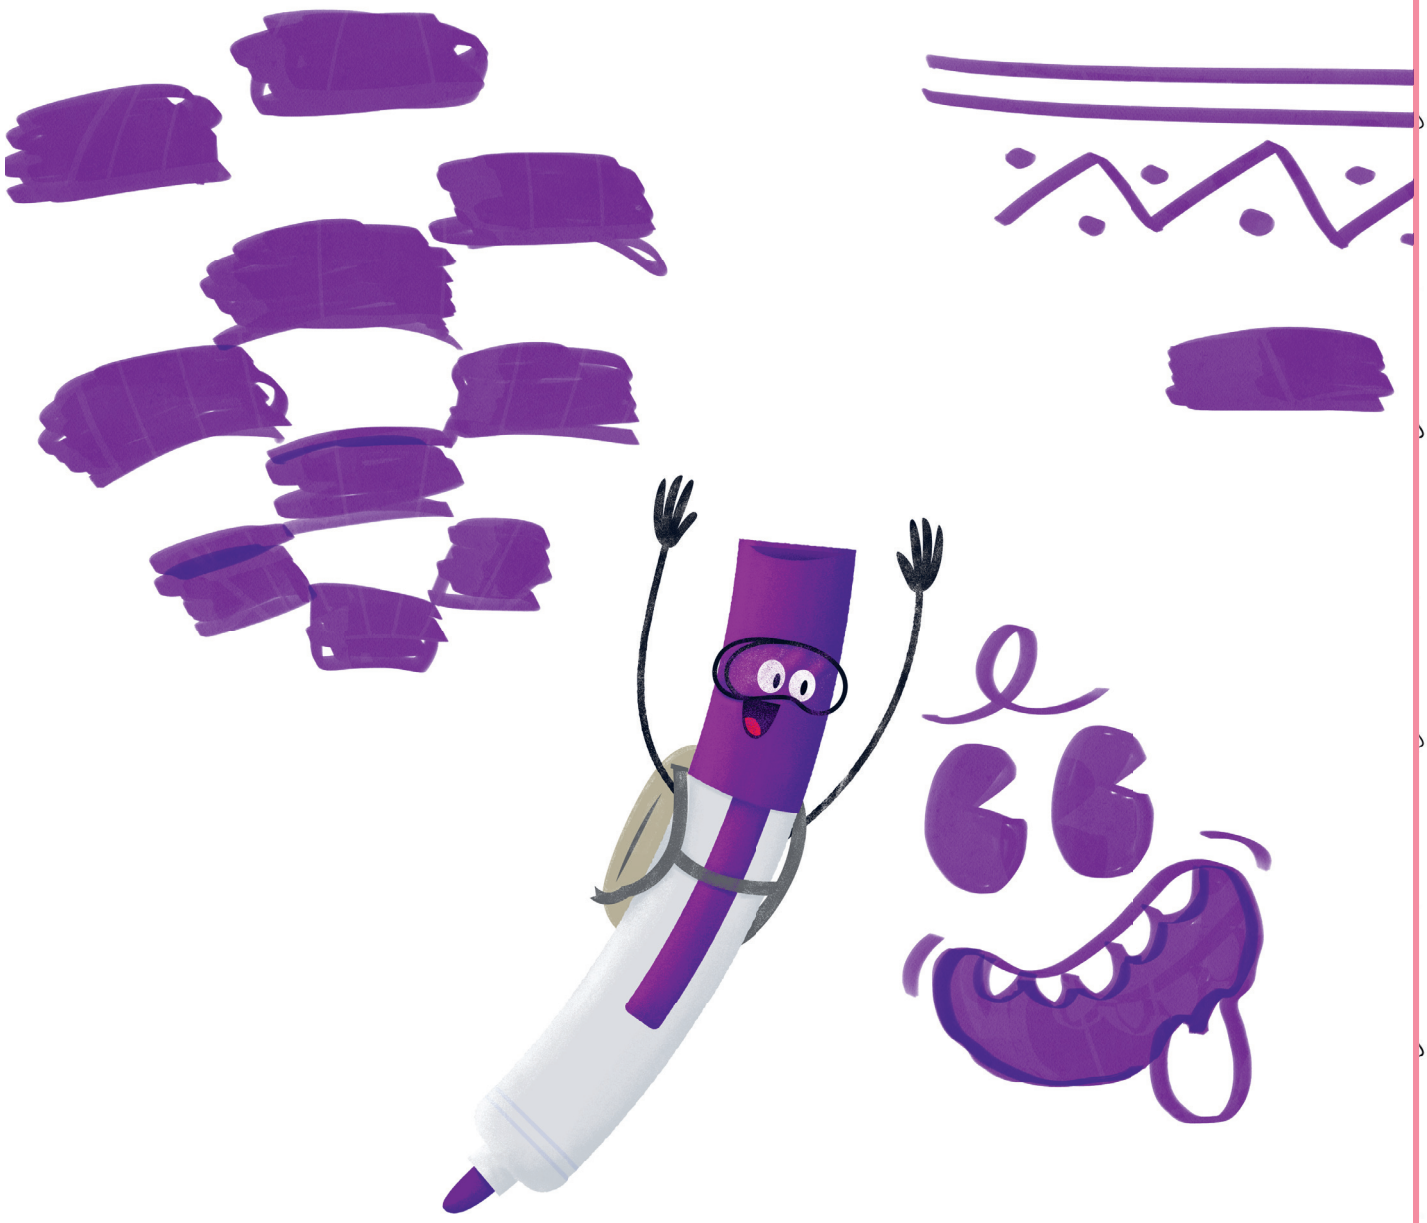
WHEN *Pencil* MET ERASER WHEN *Pencil* MET THE MARKERS

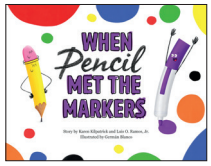
by **Karen Kilpatrick** and **Luis O. Ramos, Jr.**; illustrated by **Germán Blanco** • Ages 3–6

{Imprint} • An imprint of Macmillan Children's Publishing Group

RULE-R BREAKERS

Pencil and Purple Marker invented a new rule for art—color first, draw second.
What masterpiece can you draw using Purple Marker's coloring?





WHEN *Pencil* MET ERASER WHEN *Pencil* MET THE MARKERS

by **Karen Kilpatrick** and **Luis O. Ramos, Jr.**; illustrated by **Germán Blanco** • Ages 3–6

{Imprint} • An imprint of Macmillan Children's Publishing Group

CONNECT THE DOTS!

Purple Marker drew lots of spots, but no one knows what they're supposed to be. Can you connect the dots in numerical order to uncover each work of art?

by **Karen Kilpatrick** and **Luis O. Ramos, Jr.**; illustrated by **Germán Blanco** • Ages 3–6

{Imprint} • An imprint of Macmillan Children's Publishing Group

COLOR ALONG WITH YOUR FRIENDS!

Whether they color inside or outside the lines, the Markers are happier when they color together. Can you help color their train?
